

SALTERS' HALL

FLEXIBILITY IN THE CITY

SALTERS HALL

Flexibility in the City

Located in the very heart of the City, Salters' Hall is one of the "hidden gems" amongst the many smaller London event venues. Create Food and Party Design have been appointed as the sole catering partners for the Hall, offering a range of all-inclusive conference, lunch and dinner packages at one of the best-appointed Livery Halls in London.

Designed in the 1970s, the Hall is located on the fifth floor, offering unique views over the City. Together with the very latest lighting, sound and AV facilities, the venue offers a contemporary meeting and conference venue and the perfect atmosphere for both lunchtime and evening entertainment.

The Main Hall also benefits from its imposing high ceiling, which creates great flexibility and acoustics for conferences and an impressive environment for lunches and dinners.

With its intimate panelled dining room, ideally suited to smaller dinners and board meetings, Salters' Hall offers a range of spaces with the flexibility to deliver high quality events from 10 to 200 guests.

"Your management team were faultless, very professional, organised and helpful." **Monitor**

Create Food and Party Design

Create's reputation is based on the successful delivery of great food and service to both private and corporate clients for over 20 years. As exclusive caterers at the Hall, they offer both cost-effective venue and catering packages and a fully-bespoke menu planning service.

From innovative conference menus to wedding breakfasts, the food and drinks choices are discussed with every client to ensure that each aspect of the meal and service matches the client's specific requirements.

Fairtrade products, carefully sourced meat and fish and artisan breads and cheeses contribute to the well-crafted menus of which Create are so proud, whilst the dedicated City delivery team will ensure the highest standards of staffing and service.

And, by working with selected ethnic and kosher caterers where required, Create can accommodate all styles of private and corporate events.

"The management of the event on the evening was excellent. Everyone was well looked after and catered to accordingly." **Actix**
